

## Student Portal Resources for Teachers

The **Student portal** is a one stop shop for students, teachers and parents to access instructional applications to extend and enrich students' academic experiences. When students login to school devices and access the internet the Student Portal should be their homepage. Otherwise go to the CMS home page and scroll down to *Quick Links* and click *Student Portal*.

Site	Who?	Information	Need Help?
NCEdCloud	K-12	Access point for Canvas, SchoolNet and PowerSchool. <a href="#">Student Login Information</a>	Put in a Cherwell Ticket or call the helpdesk at 980-343-5736 and choose Option 2.
Canvas	K-12	Learning Management System for students. <a href="#">Student Login Information</a>	Click the "Help" button in Canvas (upper right corner) and put in a help request.
One Access	K-12	"ONE Access" is a partnership between the public library and CMS to turn Student IDs into Library accounts so student can check out books and access online resources through the public library. <a href="#">Student Login Information</a>	Contact your Media Specialist for support or put in a Cherwell Ticket under the VLMS (Virtual Learning and Media Services) block.
Achieve3000	6-12	Achieve3000's lessons focus on developing core literacy capacities. But they are also aligned to your Science and Social Studies/History curriculum. As students work through Achieve3000's lessons, they are developing reading strategies while building content area knowledge and academic vocabulary. (Requires School or Learning Community Purchased Subscription.) <a href="#">Student Login Information</a>	Call Achieve3000 at 877-235-2525 M-F 7:30 AM - 10:30 PM OR email Customer Support (support@achieve3000.com)
Google Apps for Education (GAfE)	K-12	Google Apps for Education (GAfE) provides free cloud storage and a simple platform for student/teacher collaboration. <a href="#">Student Login Information</a>	Put in a Cherwell Ticket or call the helpdesk at 980-343-5736, Option 3.
Atomic Learning	K-12 Students & Parents	Teachers use Atomic Learning to aid students in developing technology skills while learning new software applications. <a href="#">Student Login Information</a>	Contact your <a href="#">Instructional Technology Specialist</a> for support.

Discovery Education	K-12	Teachers use Discovery Education to share content and current events with students through video and digital resources. <a href="#">Student Login Information</a>	Contact Sharon Wilson (s.campbell) for support. Math Techbook questions: Michael Pillsbury (michael.pillsbury). Science Techbook questions: Wayne Fisher (w.fisher).
Dreambox	K-8 Math	Dreambox helps teachers provide a personalized learning path that adapts in real time to students unique needs based on their performance on lessons, games and activities. It also helps students to think critically about math concepts. <a href="#">Student Login Information</a>	Contact Valerie Davis (valeriel.davis) for support.
Raz Kids	K-5 Reading	To provide reading practice for students that is customized for their reading level to provide independent and motivating practice. <a href="#">Student Login Information</a>	Contact Valerie Davis (valeriel.davis) for support.
Compass Learning	K-8 ELA, 6-8 Math	Compass Learning allows teachers to personalize learning for individual students based on student MAP scores. Compass Learning uses students MAP scores to prescribe a learning path based on the identified areas of need. For more support go to: cmscompasslearning.weebly.com <a href="#">Student Login Information</a>	Contact Nancy Smith ( <a href="mailto:nsmith@compasslearning.com">nsmith@compasslearning.com</a> ) for support.
PowerSchool	K-12	Teachers use PowerSchool to record student grades on assignments, quizzes and formal tests. Teachers also record student attendance and course offerings. <a href="#">Student Login Information</a>	Put in a Cherwell Ticket or call the helpdesk at 980-343-5736, Option 2.
Castle Learning	6-12	Castle Learning provides ready-made questions aligned with the Common Core State Standards in English Language Arts as well as Mathematics. It also provides questions in Science, Social Studies, Spanish, French and Music. Having students use one program to access assignments and assessments in so many subject areas makes it easier for students to navigate. <a href="#">Student Login Information</a>	Contact Michael Pillsbury (michael.pillsbury) for support.
NC Wise Owl	K-12	NC WiseOwl provides a safe and advertisement-free environment, which supports age-appropriate resources. It is divided into "zones" for elementary, middle, and high school students with tools to support research for classwork, projects, and homework assignments. NC WiseOwl is a free program, available students at public and charter schools in North Carolina, sponsored by the North Carolina Department of Public Instruction. <a href="#">Student Login Information</a>	Contact your Media Specialist or Janet Jones (Janet.Jones) from Media Services.
EasyBib	K-12	EasyBib is an online tool that helps you create citations in MLA, APA and Chicago/Turabian styles. With EasyBib you can create a works cited list and parenthetical (in-text) citations. <a href="#">Student Login Information</a>	Contact your Media Specialist or Janet Jones (Janet.Jones) from Media Services.
Destiny	K-12	Destiny is a CMS catalog of all print books and digital resources (eBooks, databases, grade-appropriate web sites) found in the media center collection which may be checked-out, put on hold or read online. <a href="#">Student Login Information</a>	Put in a Cherwell Ticket under the VLMS (Virtual Learning and Media Services) block. (Look for Horizon or Destiny)
